

X-TECHLAB TRAINING SESSION

We are pleased to announce that the upcoming X-TechLab training session in “Crystallography & X-Ray Diffraction Techniques” and “Mathematical Engineering & X-rays imaging”, will be held from **November 16 to 27, 2020**. This session will take place **online with an emphasis on practical aspects. Several topics will be developed**, include:

- In Crystallography & X-Ray Diffraction Techniques
 - crystal symmetry
 - crystal diffraction: theory and experiment
 - crystal growth techniques

- In Mathematical Engineering & X-rays imaging
 - image correlation applied to solids mechanics
 - Mechanical tests and Measurements

The training session will be entirely taught in English.

Scientific English lessons will be available online at www.xtechlab.co within October 15 to November 15, 2020 for those in the need.

Candidates from all countries are welcome. However, qualified applicants from African universities will be preferred. Online applications are open until 30th September, 2020. The selection results will be announced by 5th October, 2020.

To apply, please follow this link: <https://urlz.fr/dlwz>
